Eulogy

It is with solemn hearts that we gather to celebrate and remember the life of our dear sister in faith, a devoted servant of Jehovah, a loving mother, grandmother, and cherished friend. Since embracing the truth in 2008, she demonstrated unwavering faith and loyalty to Jehovah God. Her life's journey was a testament to her deep love for Jehovah and her steadfast determination to share the good news of God's Kingdom.

Our sister, a loving mother, and friend, who lived to the age of 80, fell asleep in death on February 25, 2025. An entrepreneur and talented seamstress, she created beauty and craftsmanship that touched many lives. Her journey began in South Korea, and at the age of 23, she came to the United States, where she built a life rooted in faith, family, and dedication.

Throughout her life, she endeavored to reflect Jehovah's qualities of love, patience, and generosity. Her home was a place of refuge and comfort, where everyone was welcomed with open arms and kind words. She tirelessly imparted spiritual guidance and encouraged others to draw closer to Jehovah. One of her favorite sayings, "Jehovah God is number one, the only true God!", was a testament to her strong faith and devotion.

In her final days, even amidst the challenges of her health, her love for Jehovah shone brightly. She did not hesitate to share her faith with the hospital staff, demonstrating her steadfast devotion and unyielding belief in Jehovah's promises. Her courage and strength in witnessing to others serve as an inspiration to us all.

Though our hearts are heavy with sorrow, we take comfort in knowing that her faithfulness has not gone unnoticed by our loving Heavenly Father. We eagerly await the fulfillment of Jehovah's promise of the resurrection, when we will be reunited with our dear sister in the paradise earth, free from pain and suffering.

As we reflect on her life, let us hold dear the memories of her unwavering faith, her love for family and friends, and her dedication to Jehovah. May we continue to honor her legacy by living our lives in faithful service to our loving God, just as she did. Until we meet again, dear sister, you will remain forever in our hearts.

A Mother's Journey of Faith and Love

Dear Jehovah, thank you for my beautiful mother, During her life, she faced challenges like no other. I remember when I was young, she'd talk to your servants, Even though she didn't yet grasp their true purpose.

You continued to call her because you knew her heart was good. Finally, in 2008, after years of resistance, she understood. She fought the fine fight by sharing your word with those she met, And cherished her daughter Daphne with each breath she had yet.

She served side by side with Sandra, with vigor and vim, Holding fast to your promises and trusting in them. As of February 25, 2025, she sleeps, awaiting your paradise. Thank you for blessing me with my mother, so loving and wise.

Dear friend, sister, and mother, a bond none can dismiss, You know my heart, Jehovah, and how deeply she'll be missed
